

ARGUMENT IN FAVOR OF MEASURE __

Vote YES on Measure _ to support public safety, address homelessness and protect essential community services to maintain our great quality of life here in Rancho Cucamonga, without increasing taxes on local residents.

Many people visit Rancho Cucamonga for business or pleasure and choose to stay in a local hotel and utilize or receive city services. Out-of-town visitors use city roads, are protected by our public safety services, and enjoy our open space and local parks, and other city services.

Measure _ is a Transient Occupancy Tax (TOT) that will be paid by travelers visiting Rancho Cucamonga who stay in hotels, motels, or short-term rentals in our community that will provide additional and necessary funding to help offset these impacts and help our City plan for the future.

Measure __ does not increase taxes for Rancho Cucamonga residents. Measure __ ensures out-of-town visitors pay their share for necessary public safety and essential services when they visit our City.

Your Yes Vote on Measure __ will:

- Support Public Safety
- Address Homelessness
- Improve Infrastructure
- Maintain and Improve Parks and Open Space
- Support City Programs for Seniors and Youth

Independent Oversight and Local Control are Required

- All Measure _ funds must stay in Rancho Cucamonga, under local control and cannot be taken by the State
- A clear system of accountability would be required, including annual independent audits and public disclosure to ensure funds are spent as promised

Measure __ will ensure that visitors pay their fair share of costs to protect and maintain the quality of life in Rancho Cucamonga.

Please join business leaders, elected officials and neighbors in voting YES on __ to protect essential city services in Rancho Cucamonga, without increasing taxes on residents.

Vote YES on Measure __!
